

We are doing our best to ensure safe and quality transportation.
For this to be possible do your part and stick to the following simple rules:

Do not use the service in case of flu and / or symptoms
body temperature equal to or higher than 37.5 ° C.

The face mask's use on board is mandatory.
Gloves' use on board is recommended.

Maintain a distance of at least 2 meters from other users,
both while waiting at the stop and during the ascent / descent operations.

Use the back door to get on and off the bus.
Let whoever is on board get off before boarding

Do not use the seats and spaces as indicated by the signs.

Due to the health emergency, the bus has a limited number of seats.

For all Arriva commercial lines, book your seat on the estore.arriva.it
ecommerce or on the torino.arriva.it website.
It is forbidden to approach the driver's station.

All the traveling personnel have a personal supply of face masks,
with weekly change.
All crew members have nitrile gloves and a bottle of concentrated hand
sanitizing solution alcohol greater than 60%.

Ordinary cleaning is carried out on all vehicles in service
daily, in addition to sanitizing the handrails, supports and points
more contact of the surfaces touched by passengers.
The complete sanitation of the vehicle follows the programming
periodic cleaning.
